

**Gaia** Constructions

**GAIA CONSTRUCTION PVT. LTD.**

## COMPANY PROFILE

**GAIA CONSTRUCTION** has been established as a real estate construction company in New Delhi. Our traditional business model is based on the development of properties in the real estate markets in Delhi & NCR. The revenues of our company are expected to be nearly 15cr. per annum depending on the variables that are factored in with investments in the real estate industry.

We are aimed to 100% customer satisfactions with timely deliver of projects.

# Company Strategy

**Purpose:** To be a leader in the real estate industry by providing enhanced services, relationship and profitability.

**Vision:** To provide quality services that exceeds the expectations of our esteemed customers.

**Mission statement:** To build long term relationships with our customers and clients and provide exceptional customer services by pursuing business through innovation and advanced technology.

## **Core values:**

We believe in treating our customers with respect and faith

- We grow through creativity, invention and innovation.
- We integrate honesty, integrity and business ethics into all aspects of our business functioning

## **Goals**

- Regional expansion in the field of property management and develop a strong base of key customers.
- Increase the assets and investments of the company to support the development of services.
- To build good reputation in the field of real estate and property management and become a key player in the industry.

## Scope of Work

The company is incorporated with target to cater two major areas namely “Engineering Expertise” and “Turn-Key Execution” in the field of construction.

The company has a well-established team of experienced and qualified Civil Engineers, Structural Engineers, Electrical Engineers & Project Managers having rich exposure in various fields of construction. They all are well conversant with the latest techniques of Construction, Quality Control and Contract Management.

We provide professional client-focused construction solutions. We offer general contracting, construction management, design-build, and preconstruction planning services for projects of all sizes. Our commitment to outstanding job completion, exceptional customer service and superior safety performance has made us a partner of choice in the construction industry.
